2nd SIU Nurses' Educational Symposium:

Sourcing Information Uniquely

Invitation to SIU 2016

Thank you to all our friends and colleagues who joined us last year in Melbourne for a highly successful inaugural SIU Nurses Educational Symposium! Expert speakers representing both nurses and physicians provided a valuable update on the current issues and advancements that impact urology nurses worldwide.

This year promises to be even bigger and better! A fresh and dynamic programme will deliver the information YOU need to know, and has been endorsed by the European Association of Urology Nurses.

We look forward to seeing you there!

Kay Talbot
Chair, RN, Australia

Lawrence Drudge-Coates
Organizing Committee
Chair EAUN, RN, United Kingdom

Stay up-to-date with advancements in urological nursing around the world, including important topics such as:

- Prostate Cancer: Diagnosis and Implications for Management
- The Aging Urology Patient: Implications for Nursing Practice
- Male and Female Incontinence
- Conservative Management of Stone Disease
- Let's not Forget the Operating Suite: Access to Equipment
- Pediatric Urology: Transition from Child to Adult
- Urinary Diversion: What Happens When All Else Fails?
- Nursing Solutions in Challenging Cases

This session will be presented in English, with translation to Spanish available.

Registration benefits for Nurses include:

- Opening Ceremonies and Welcome Reception (Thursday)
- SIU Night (Friday)
- 3.5 days of scientific sessions
- Access to the Exhibit Hall
- Lunches and wine tastings in the Exhibit Hall
- Delegate bag with Congress materials
- Copy of SIU-ICUD 2015 Consultation on Image-Guided Therapy in Urology

Nurses are eligible for a reduced registration rate.

*Argentinian nurses are entitled to a preferential host country rate.
These special rates are automatically applied when you register online.*
